Subject: draft agenda for Kieth Klien at HNRTC meeting

Hi fellow trustees,

I'm very slow getting my notes out regarding the HNRTC conference call on March 30th to discuss and set a draft agenda Keith Klien portion for the May 31-June 1 trustee meeting.

participants: Tom O'Brien
Dan Landeen
Jake Jakabosky
Jay McConnaughey
Connie Smith
Jeff Haas
Jamie Zeisloft
Larry Goldstein

Draft Agenda: I. After welcome and introductions Tom O'Brien will lead an overview of

- a. HNRTC history, MOU and existing By-Laws
- b. Regulatory requirements of CERCLA and the trustee

agencies

- c. Brief overview of Council Objectives, Why NRDA is now needed at sites. time: 20-30 minutes

II. Council Operational Difficulties and Proposed By-Law changes

Tom Zeilman 20-30 minutes

III. Ecological Risk Assessment and need for biological data, Jay McConnaughey, 30 minutes

- a. past meeting discussions regarding Council being requested to make site specific recommendations on sampling needed to determine site cleanup.

- b. Site specific studies, bio monitoring and indicator species to determine cleanup levels

- c. incorporation of HNRTC cleanup standards into RODs
- c. HNRTC lack of staff, time and funding, importance of achieving pre ROD cleanup so NRDA not needed.

IV. ERDF, Dan Landeen, 30 minutes

- a. Overview

DOE doing I & I on mitigating habitat

- b. history, Jay's chronolgy and lack of justification for
- c. BRMap, issue for HNRTC to have finalized
- d. Mitigation on location of Impact not ALE

Please send me your additions and corrections ASAP,

Thanks

Tom
